Aug 2012 – Mar 2014

Odisha, India

## PROJECTS

### Library Management System

- Library Management System is Library Management software for monitoring and controlling the transactions in a library .Mainly we focuses on basic operations in a library like adding new books, and updating new information, searching books and members and return books.
- This project of “LIBRARY MANAGEMENT” of gives us the complete information about the library. We can enter the record of new books and retrieve the details of books available in the library.
- Implemented the website using HTML/CSS/BOOTSTRAP/JAVASCRIPT & NodeJs and MongoDB

### Real Time Weather Web Application

- Useing weather API i create a real time weather application and we able to search any location in the world and displaying the data in Fahrenheit.
- I add a feature to changes the gifs based on the data which is user attractive and it has used async/await method.
- To create this application i used HTML, CSS, and JAVASCRIPT.

### Note Keep Web Application

- Using this note keep app we can easily write our important events and it will help us to remember the events.
- To create this application i have use HTML, CSS, JAVASCIRPT .

### Password Generator

- This is a simple password generator. We can generate the password until 20 number of combination of character. It can contain Capital letters, Small letters, Numbers Symbols.
- To implement this i have used HTML, CSS, JAVASCIRPT .

## TECHNICAL SKILLS

HTML

CSS

SCSS

Bootstrap

Javascript

React

NodeJs

ExpressJs

MongoDB

## ACHIEVEMENTS

- I have done fullStack Web Development Boot-Camp from Udeemy platform.
- I was a NCC cadet and attend 15 days NCC camp.
- Participate in sports such as Running, Shot put, Javelin throw.
- I was participate quiz competition in our college and I was 2nd position.

## STRENGTHS

- I am a Quick Learner.
- Good strength of working with team and Positive attitude.
- Self-Motivated and problem solving skills.
- Strong able to work Creative and Determination.
- Effective Communication skills.
